DX MAGAZINE No. 4

Vol. XLI

April 2006

Hello again,

Welcome to another issue of our DX MAGAZINE. Our News Editor Jürgen Kubiak has just informed me that he will resign after 10 years of compiling our News section. His last edition will be for DX MAGAZINE 8/9, i.e. our annual summer edition. Therefore we need a new **News Editor** as from October 2006. If YOU are interested to compile this section for us, please do not hesitate to contact me.

Medium Wave Circle has just published three new CDs of interest to radio enthusiasts: 1. Medium Wave News Volume 51: 2005-6, 2. Radio Caroline 1983-1987, 3. Laser 558 1984-1986. On their website at <http://www.mwcircle.org/mcd.htm> you can see sample information from the Medium Wave News Volume 51 CD and you can listen to unique extracts from the Radio Caroline and Laser 558 CDs. The website also includes full ordering information - orders can be by mail order or on-line. They have recently introduced secure on-line payment via credit card or Paypal account at <http://www.mwcircle.org/shop.htm>.

Between the 9th of June and the 8th of July 2006 the German Community of "wellenforum" organise a **Shortwave Contest** for all short-wave listener from all over the world. The participation will be online. The logs should be entered in the form below and send via e-mail after the contest to contest@wellenforum.de. Charge: No charge for the participation. Award: Any Participant will get an certification in form of a JPG picture sent by email. Valuation: Logs from radio station broadcasting on shortwave will be rated. No radio services, clandestines or piracy station will be accepted. Full information about the contest (also in German) can be found on their website <http://www.wellenforum.de>. Look for: "Free to read: Internationaler wellenforum Kurzwellencontest 2006".

Geneva, Switzerland, is to host **ITU TELECOM WORLD 2009**, according to an announcement made by ITU Secretary-General Yoshio Utsumi. The Secretary-General's decision was reached following an evaluation of all bids received and based on a recommendation of the ITU TELECOM Board made mid-March.

ITU TELECOM events are renowned as major meeting places for the global information and communication technology community and bring considerable economic benefits to host cities. Consequently, competition among the four finalists was fierce, with all submitting very competitive bids. Six countries had originally applied to host the WORLD event but two withdrew their offer during the process. The four finalists were Birmingham (National Exhibition Centre), Dubai (Jebel Ali Exhibition City), Geneva (Palexpo), and Paris Nord (le Parc des Expositions).

ITU TELECOM events were launched more than 30 years ago with the first WORLD event being held in Geneva in 1971. The next ITU TELECOM WORLD event will be held in Hong Kong, China from 4-8 December 2006. It is expected to bring together 800-900 Exhibitors representing 50 different countries and 2'500 participants at the Forum. An estimated 2'000 VIPs including industry CEOs, government ministers and regulators will take part. 1'500 journalists from 600 media organizations from 45 countries are also expected to cover the event.

(**ITU Press Office**)

And with this best wishes and good DX until next month from

SLOVAKIA: *Radio Slovakia International - RSI* was created in 1993, almost simultaneously with the emergence of independent Slovakia, its duty being to give other countries information about the new state and to keep contact with the numerous expatriate communities. Organizationally, it is a relatively autonomous unit within the Slovak Radio. The 30-minutes magazines broadcast daily contain news from Slovakia, features on Slovak economy, sciences, culture, geography, environment, sports, examples of verbal and musical arts and portraits of important personalities. Radio Slovakia International broadcasts worldwide on SW, satellites and Internet. (JKB)

Note: Transmissions may be delayed by a month due to maintenance.

(Alokesh Gupta via WWDXC-HQ; March 21, 2006)

But it is not sure that all the frequencies will be used (like season before), cause it is only the HFCC registration. (KLE; March 21, 2006)

- SG : Simon Guettier, Aylesbury, UK. AOR 7030, Racal 1792 with 10 metres Long wire Wellbrook ALA 1530 Antenna directed West.

Dear Friends,

Welcome to the April edition. After not a very bad winter at my location we are back into spring closely followed by summer.

Welcome to Simon Guettier of UK for his loggings which I have included. Simon I would appreciate more of your loggings in future with a little info on language of broadcast and program details. That applies to all the other contributors. If you use the Club format for sending the loggings it makes it easier for me to compile the Logbook.

Till next issue it's 73's from your Editor,

Ashok Kumar Bose

EINLADUNG

RUNDFUNK INTERNATIONAL

Unter diesem Motto findet das 32. INTERNATIONALE SWLCS-DX-CAMP in der Zeit vom 21. bis einschließlich 23. Juli 2006 in Merchweiler im Herzen des Saarlandes statt.

Während dieser drei Tage werden auf dem Gelände in der Dorfstraße 13 alle Möglichkeiten des weltweiten Rundfunk- und Fernsehempfanges vorgeführt. Ca. 40 Länder strahlen Radioprogramme in deutscher Sprache aus, die oftmals ohne größeren Aufwand hier zu hören sind. Auf dem Campgelände stehen dafür einfache Radios und modernste Weltempfänger zur Verfügung. Dieses SWLCS-DX-CAMP bietet noch eine Menge mehr, so zum Beispiel :

Empfängerausstellung, auch Oldies
Digitaler- und analoger Radio- und TV-Satellitenempfang
DAB - Empfang
Wettermeldungen per Funk und Computer
FREE RADIO – Information
TOMBOLA

CB-Funk
QSL-Karten- und Wimpelschau
Diplom-Ausstellung
Tropenbandempfang
METEOSAT-Direktempfang
Informationsmaterial der internationalen Radiodienste

Hörertreffen sind ebenfalls geplant.

Übernachten dürfte kein Problem sein – entweder kann in einem der Zelte, in den Pavillons oder in einer der nahegelegenen Pensionen oder Hotels die Nacht bzw. die Nächte verbracht werden. Selbstverständlich kann man sein eigenes Zelt mitbringen. Kostenlose Stellplätze sind ebenfalls vorhanden. Natürlich ist auch für das leibliche Wohl auf dem Gelände gesorgt. Auf Wunsch erhalten alle Besucher eine attraktive Teilnehmer-Urkunde.

Unter dem Motto „**RUNDFUNK INTERNATIONAL**“ soll das **32. SWLCS-DX-CAMP 2006** besonders die bereits bestehende Kontakte unter den Kurzwellenhörern fördern und vertiefen, die Bevölkerung auf dieses schöne Hobby aufmerksam machen und nicht zuletzt die hervorragende Zusammenarbeit mit den Rundfunkstationen im In- und Ausland verdeutlichen. **Jedermann ist herzlichst eingeladen.**

Also Treffpunkt am 21., 22. und 23. JULI 2006
