Hello again,

Welcome to another issue of our DX MAGAZINE. Please remember that the next issue of our DX MAGAZINE will be our usual summer double edition No. 8/9, which will be mailed in the 35th calendar week (deadline: August 27th, 2016). Our editors will be very thankful for your contributions to this double edition. I have no more news to report from inside the club this month - therefore let's just start with our usual news from outside the club - only one item this month:

The **WRTH Editorial team** is pleased to announce that the summer update to the B15 schedules in the International section of WRTH 2016 is now available for free download from the WRTH website: http://www.wrth.com/_shop/wp-content/uploads/WRTH2016IntRadioSuppl3_A16SchedulesUpdate.pdf The file is in PDF format and will require the free Adobe Acrobat reader. We hope you find this a useful accompaniment to the printed WRTH edition.

- 5910 COLOMBIA Alcaraván Radio – Puerto Lleras, 0012-0107 Jun 22, man announcer with long Spanish language religious talk. Instrumental music at 0049 followed by a male vocal selection and then group vocals. Canned ID at 0059 and announcements followed by more vocal selections. Poor to fair.
- 6105.4 BOLIVIA Radio Panamericana – La Paz, 0250-0424 Jun 15, inspired by John Cooper's log last week of Bolivian soccer match I tuned in while watching Bolivia losing to Chile 3-0 in Copa America Centenario tournament with poor signal but excited male announcer with play-by-play coverage. Match ended at 0410 but station stayed on after game.
- 6175 ALBANIA China Radio International – Cerrik, 2340-2358* Jun 21, woman announcer with Spanish language talks hosting a music program feature. Off mid-song without formal closedown announcements. Good signal.
- 9480 MADAGASCAR African Pathways Radio – Mahajanga, 0436-0456* Jun 26, English language religious features with several IDs and frequency announcements heard. Closed at 0453 with a woman singing "Smile". Carrier terminated after song. Fair.
- 9655 FRANCE Radio Algerienne – Issoudun, 2104-2159P* Jul 9, a man and woman with news in French and Arabic languages. Into a program of recitations from 2114 after station ID. Later, a nice program of instrumental music and vocals. A man in Arabic language with closedown ID and frequency announcement. Fair.
- 9730 ROMANIA Radio Romania International – Tiganesti, 0011-0032 Jul 2, English service with discussion of European Union troubles. Several ISs followed by program called Roots. Good signal.
- 9955 USA FG Radio via WRMI Okeechobee, FL, 2300-2315 Jul 9, after an Allen Graham ID for WRMI FG Radio opened with IDs in English and French languages. However, instead of news program a series of pop music tunes were played with IDs and mention of Famagusta-Gazette for news. Ended with religious program opening up after their fifteen minutes was up. Good signal.
- 11770 MADAGASCAR MWV Radio – Mahajanga, 2236-2257* Jul 9, man with Arabic language religious talks and brief instrumental and vocal music segments. Another male announcer with ID and closedown announcements at 2256 over instrumental music before carrier was terminated. Good signal.
- 11795 ROMANIA Radio Romania International – Galbeni, 2325-2356* Jun 21, Spanish language features and music selections. Nice ID and closedown announcements before carrier terminated. Poor to fair.
- 11860 CLANDESTINE (Yemen) Republic of Yemen Radio, 0101-0134 Jun 22, thanks to a Stephen Wood tip noted with man announcer doing non-stop recitations in the Arabic language. Fair.
- 11900 SÃO TOMÉ Voice of America – Pinheira, 2014-2031* Jun 15, talks by several men and woman in the French service with news and features being presented. At 2030 a man in English said: "This is the Voice of America, Washington, DC signing off". There was one pass of familiar Yankee Doodle theme before the carrier was terminated. Poor to fair.
- 11900 VATICAN Voice of America – Santa Maria de Galeria, 2137-2200* Jun 15, two men talking in listed Bambara language later joined by a woman announcer. 2140 ID by a woman followed by a speech by a man. Several "VOA Africa" IDs later in program. Later some local music. Fair to good.
- 12050 CLANDESTINE (Nigeria) Dandal Kura – Ascension, 2021-2106 Jul 9, conversations in listed Kanuri language with some vocals. Several IDs at 2059 by a man and woman followed by apparent news at 2100. I thought these guys were supposed to close at 2100?

- Poor to fair signal.
- 15105 ASCENSION ISLANDS BBC, 1947-1959* Jul 9, two men in long discussion in listed Hausa language. ID at 1959 followed by light instrumental music until the carrier was terminated. Poor to fair.
